CEO: Productivity, Efficiency & Effectiveness from end user computing is vital for any organization- this we achieved simply with AL-400, thanks to it..

CTO: Itz all about uptime, now we have highly reliable, securable computing environment always up and running too.

CFO: Itz all about ROI, now im quite happy coz PC kind of performance @ 1/3 of PC price

POWER USER: Itz wonderful to write tons of programming codes and i can compile them too seamlessly on a tiny device.. w/o oops.

BASIC USER: Itz amazing to use all desktop applications with out any installing locally.. at zoom speed..

CEO   **CTO**   **CFO**   **POWER USER**   **BASIC USER**
